TITLE/SIGNIFICANCE:

Unidentified shipping container similar to the Type-A FISHBED container

COMMENT: Three unidentified shipping containers, similar to the Type-A FISHBED container, have been observed at Tbilisi Airframe Plant 31. The container is 10 feet shorter and one foot narrower than the Type-A FISHBED container. The height of the unidentified container is approximately the same as the Type-A container. These containers have not been associated with any known product produced at Plant 31. Tbilisi Airframe Plant 31 has produced KANGAROO, KIPPER, MONGOL, and the LA-17 DRONE.
